**Nora Bergman, JD.** Nora's background as an attorney, law professor and bar executive gives her a unique perspective on the challenges lawyers face. In addition to her broad experience with all aspects of the law firm, Nora understands the importance of, and is committed to, helping attorneys leverage technology in order to maximize their ultimate success. We suggest many of the materials she uses. Tip: Nora is a great speaker – you may want to ask her to speak at one of your bar's functions.
